DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 4/18/07 has been entered.

Examiner's Statement for Reasons of Allowance

This Office Action is responsive to the request for continued examination filed on 4/18/07. Claims 1, 4, 7, 10-12, 14, and 16-17 are pending. Claims 18-20 are cancelled. Applicant's remarks filed in the prior request have been fully considered and are persuasive, thus the former 35 USC 102 and 35 USC 103 rejections have been overcome.

The following is an examiner's statement of reasons for allowance: the former references Inokuchi (US Patent No. 6,259,960) in combination with Okumura (US Patent No. 6,198,201) fails to teach or provide motivation to teach the instant claims, more specifically the claim limitations of a substrate treating apparatus having a correcting means which performs a correction according to a posture variation of a holding means, whereby the correcting means includes a through hole in its mounting

member and a rigid member inserted into said through holes, as well as, a positioning means including an actuator having a working piece movable into and out of an opening of said through hole to act on said rigid member. No other prior art that anticipates or suggests fairly the instant claims has been located as of the date of this office action. Therefore, claims 1, 4, 7, 10-12, 14, and 16-17 are allowed over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
